

Auburn’s Community Fund Program

Office of Equity

Do you live, work, or go to school in the Valley or Plateau area of Auburn? Is there a project you and your neighbors would like to do but don't have the funding? Tell us your idea below with a short description of the project and the location.

These are intended to be smaller projects that bring added value to a neighborhood and help connect residents together. An example would be a community garden coordinated and used by the local community. This fund is not intended for infrastructure projects such as road repairs or sidewalks, and projects must be on City-owned property. For more details about the program visit auburnwa.gov/communityfund. If you wish to fill this out online, visit SpeakUp Auburn - <https://speakupauburn.org/communityfund>. Applications are accepted in any language. If you or someone from your community needs help filling out the application in a language other than English, please contact us to receive translation services.
